How do we return the instrument?

Please call us at 630-978-9927 to inform us that you'll be returning the instrument. If school is in session, you can return it to your director. If you prefer, or it's during the summer, we can have UPS pick up the instrument at home or work at no additional cost to you. Of course, you can always choose to return the instrument to our store.

Do we return the instrument for the summer?

Not if you want to continue in band or orchestra the next year. If you return the instrument, all the equity that has been put towards it will be lost. There is usually some kind of summer program offered or private lessons are always available. If you do not want to continue renting after summer, then yes, return the instrument to your director before school dismisses or call us for UPS pick up. **Rent is charged as long as you have the instrument, whether you use it or not.**

Please fill out the required information below and place in the instrument case.
