PUT IN "GOOD PLAYING CONDITION"

This is the quickest way to get your instrument returned. We will do whatever is necessary to put your instrument in the proper playing condition. We will do no more than is required. Usual charges are approx. \$50. UPS charges extra. Warranty is limited to actual work performed. If charges exceed \$50.00, you will be contacted with an estimate before work is performed.

PLEASE DO ONLY THE FOLLOWING

We will do just as you ask even if the instrument does not play because of other work needed. If we feel this is impractical, the instrument may be refused and returned. Returned to the school by school representative or by UPS.

SEND AN ESTIMATE OF REPAIR CHARGES BEFORE PROCEEDING

An estimate will be sent by email or phone. No work will be done until your OK to proceed. To insure the student does not miss class time while instrument is repaired, you must call the store to secure a loaner instrument that will be brought to the school in the student's name.
